

Summer 2022 Camps - Southern Pines Location

Notes: - All summer camps will only be held with minimum registration required. For dance camps this is 4 students and varies based on the show for the production camps.

- All payments are due up-front and will be drafted from the card on file within 24 hours. If the payment declines, the spot will be given to someone on the waitlist.
- There are no refunds for summer camps. In situations where a child becomes ill and cannot attend. We will apply a credit towards a future camp or class. Please plan your vacations accordingly and check your child's school start date. Some private schools start the first week of August in our area.
- Age requirements. They must be the designated age by the start of the camp or be rising into the grade level designated. Many ages are determined by the typical reading, writing, and attention span of children. We are a developmental studio and want the experience to be fun and not stressful. Pushing younger children into an older environment often creates more stress and intimidation for them so please enroll for the correct age.
